

# Kirton Primary School

## Autumn Term 2019 Newsletter

Welcome back to another exciting year at Kirton Primary School. We would like to extend a particularly warm welcome to all the new children and their families who have joined us, as well as new members of staff.

As ever, the end of the summer term was extremely busy. Our hard-working staff managed to fit in a fabulous Y6 production, a Leavers' Assembly, cup presentations, parties, year group trips, sporting events, a PTA Gala, sports days, and award ceremonies - all of which the children and staff enjoyed immensely.

Thank you to everyone who made it all happen.

Kirton Primary School wins STEM Award at the Education Business Awards 2019

Kirton Primary School is proud to announce that, in the summer term, we were shortlisted in the national Education Business Awards in **two** categories - 'Outstanding Progress for a Primary School' and the 'STEM (Science, Technology, Engineering and Maths) Award'. The Awards recognise and celebrate the significant successes enjoyed by schools across the UK.

The ceremony was held in London in July and was hosted by Angellica Bell.

The school is proud to announce that it was the overall winner in the STEM category.

Miss West is awarded Inspirational Teacher of the Year 2019

Another proud moment for the school last term was when Miss West was recognised as the Most Inspirational Teacher of the Year in the Free Press Education Awards.

This is the second time one of our teachers has been shortlisted in this highly sought after category. Last year, Mr Batterham was shortlisted for this award.

We would also like to congratulate Mr Slaughter who was shortlisted in this category, and joins our school this September to teach in Year 4.

Kirton Primary School was shortlisted for Primary School of the Year on the same night - this is an award we won last year.

It was an immensely proud evening for the school!

#### Gold School Games Award 2019

We are delighted to announce that Kirton Primary School has achieved the School Games Gold Mark Award.

The School Games Mark is a Government-led award scheme launched to reward schools for their commitment to the development of competition across the school and into the community, and we are delighted to have been recognised for our success.

It was recognised that the school had fulfilled criteria in the areas of participation, competition, workforce and clubs.

The school is delighted to have its hard work rewarded. A special thank you to Mr Greaves for steering staff and children through this process, and for his never-ending enthusiasm for raising the profile of sport and fitness across our school.

#### tes School Awards - 'Primary School of the Year 2019'

Kirton Primary School was also shortlisted in the national tes school awards for 'Primary School of the Year 2019'.

These national awards recognise the most outstanding individuals and institutions that the education sector has to offer.

Tes editor Ann Mroz said: We had a record number of entries this year and the standard

was very high, so all those shortlisted should be very proud: it's an extraordinary achievement to be on this shortlist.

The award ceremony took place at the Grosvenor House Hotel, Park Lane, London.

### Golden Apples Awards 2019

We are also delighted to announce that Ms Lewis made it to the final three teachers in the Lincolnshire Golden Apples Awards in the category 'Primary School Teacher of the Year 2019'.

This is the third year running that one of our teachers has reached the final three in this category, which covers the whole of Lincolnshire. Last year, Miss Whalley made it to the final three, and in 2017 the title was taken by Mr Greaves.

An amazing achievement for one school. Well done Ms Lewis!

### tes Award - 'Maths Team of the Year 2019'

Kirton Primary School was shortlisted in the the national tes school awards in the category of 'Maths Team of the Year' for all the amazing and inspirational work the school undertakes to promote a love of maths and the high standards which result from this work.

The award ceremony took place at the Grosvenor House Hotel, Park Lane, London.

Mr Warman MP took time out of his busy schedule in Westminster to celebrate the school's recent success at an event hosted for

the shortlisted schools at the Houses of Parliament in London.

### National Special Educational Needs and Disability Awards 2019

Kirton Primary School is proud to announce that it has been shortlisted in two award categories in the *National Special Educational Needs and Disability Awards 2019*.

We have been shortlisted for awards in the categories of *Most Inclusive Practice Across a School* and *Most Innovative Special Needs Intervention*. The winners will be announced later this month.

### Lincolnshire Life Magazine

The school was delighted to appear in the May edition of the Lincolnshire Life magazine, featuring in a very complimentary three-page spread.

Congratulations to all our children, staff, governors and parents who have contributed as a team to realise such amazing recognition on both a local and national scale.

We have a lot to be proud of!

### Passports to Achievement

Children from Reception to Y6 will shortly be bringing home their personal Passport of Achievement. Each passport lasts one year, and encourages the children to take part in challenges both at home and at school.

It would make a wonderful home-school link if you were able to support your child in achieving their challenges for the year. Each completed passport earns your child a medal.

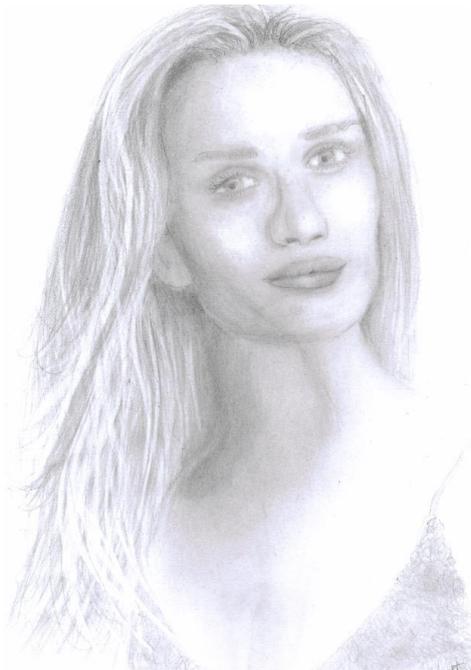

Please encourage your child to take care of their passport and to treasure it as replacement passports incur a charge of £4, and the children would need to complete the challenges again from scratch if misplaced.

### Artsmark Award

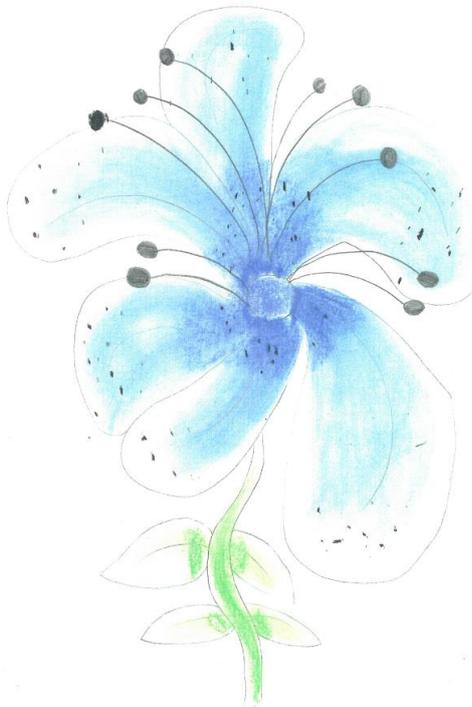

Kirton Primary School has embarked on a journey to achieve the nationally acclaimed Artsmark Award, awarded by Arts Council England. We are grateful to Ms Chandley and Ms Lewis for spearheading this project across the school.

Artsmark is designed to inspire young people to create, experience and participate in the arts and culture and, hence, enhance our school's already diverse curriculum.

Please keep a look out for our 'Virtual Art Gallery' which will be uploaded to our website this term. It will feature some of the creations of our very talented children. Here is a sneak preview:

*Year 6 Art Club*

*Year 3 Art Lesson*

## Mosaics

Our children have already been flexing their creative muscle and honing their technology skills in order to produce ten huge, and quite stunning, mosaics which are displayed around the school.

Please take the time to view these next time you are in. We're sure you will agree that the children have done an amazing job.

Clubs Available this Term (other than Sports Clubs)

	<u>Clubs</u>
<u>Mon</u>	Y6 Portrait Club Glee Club (KS2) Card Making Craft Club
<u>Tues</u>	Art Club Recorder club (KS2) Mindful Colouring Club (KS1) Yoga (KS1) Film Club
<u>Wed</u>	School Council Animation Club (KS2) Creative writing Club (KS2)
<u>Thurs</u>	Expressive Arts Club Guitar Club (KS2) Choir (KS2)
<u>Fri</u>	Chess Club Sewing Club (KS2)

We thank our dedicated staff who give up their own time to put on these clubs for our children.

Visit from Matt Warman, MP

Matt Warman, MP, visited the school to congratulate everyone on the school's recent successes, in particular, being rated the best state-funded primary school in Lincolnshire for four years running.

While visiting the school, Mr Warman couldn't resist testing out our newly installed gym equipment - under the watchful eyes of our pupils.

Duckling Update

Our 'ducklings' are now 'ducks' and are enjoying their new lives with Ms Lewis. The children receive regular duck updates.

New Multiplication Tables Test for all Y4 pupils

$$2 \times 2 = 4$$

The Government has announced that all children in Y4 are to have their multiplication skills

formally tested, beginning in June 2020. This means that our current Y4 cohort will be amongst the first children in the country to take part in this assessment.

If you have any questions or concerns about this, please discuss them with your child's class teacher.

### Support your Child's Learning

**Multiplication Tables:** One of the challenges of the national curriculum is that every child should know their tables up to 12 X 12 by the end of Y4. We have a Tables Challenge in school and we teach tables regularly in class, but learning tables is matter of constant repetition so, whenever you get a moment, please practise with or test your child. As an incentive, every set of full marks in your child's weekly tables test earns them another Kirt to save in the bank or spend in the shop.

We are keen for our children to know their tables, but wish the learning of them to be as much fun as possible. To this end, our website contains useful resources to support your child's learning at home. These may be found in the 'Parents' section under 'Support Your Child's Learning', as well as in the 'Children's' section.

You will find a tables' grid and some practice sheets to download should you wish to use them with your child. You will also find songs and videos made by our staff and children that you might like to sing along to.

**Spelling:** From Y2 to Y6, your child will bring home a set of 10 weekly spellings to learn. These will include words that support the spelling rules your child is learning in class,

commonly misspelt words, or useful words recommended by the National Curriculum.

If you want to take a look at the National Curriculum spelling vocabulary for Key Stage 2, it is on our website. They're not as easy as you might think!

Remember, we are running a Spelling Championship in school with a top prize of 100 Kirts to spend at Kirton Stores, and every set of full marks in your child's weekly spelling test earns them another Kirt.

**Handwriting:** We use a cursive script across the school in order to improve handwriting and presentation. Lower down the school, this may result in a more 'untidy' style at first as children get to grips with the joins. However, with perseverance, your child's handwriting will improve. Visitors often praise our children's beautiful handwriting skills.

If you would like to practise handwriting with your child at home (perhaps by writing out spellings), please follow the exemplar below:

abcdefghijklmnopqrst  
vwxyz

## Kirton Nursery School

We have our own web page. Please come and visit us at:

<http://www.boston-nur.lincs.sch.uk/Kirton-Nursery-Home>

Put your child on the path to a first rate education. At the end of the summer term, our Nursery is often full and we have to begin a waiting list for places. If you are thinking of requesting a place for your child, we fully recommend that you act early so as not to be disappointed. We often have places at the beginning of the year, but they are unlikely to be free for long.

Our award winning provision for 3 and 4 year-olds, which is led by a fully qualified school teacher, provides seamless transition and promotes excellent progress for every child entering Kirton Primary School. Did you know, for instance, that the children in Nursery begin early phonics and number work that will give them a head start when they begin school in Reception?

We notice a marked difference in the starting points of those children who have attended our Nursery and those who have attended other local settings.

As well as the 15 free hours a week to which all three-year-olds are entitled, we offer additional sessions over and above this. We also offer flexibility when selecting sessions for your child. You may choose mornings, afternoons, or a mix of both - or even five full days a week. We will do our best to accommodate your request, but we are more likely to be able to do this if you get your child's name down early.

Additional sessions, above the **free entitlement of 15 hours**, may be purchased at a cost of £12.00 for 3 hours. This is extremely competitive locally. Eligible working parents may be entitled to **30 free hours** for their child. The purchase of a lunch is also available if required.

Please come and talk to us to discuss your options and to see for yourself what one of the best pre-schools in the county has to offer. If you know anyone else who might benefit from our excellent Nursery facilities, please let them know.

### Message from the Parliament Federation's Governing Body

Hello and welcome to all new parents - and welcome back to all our parents with children returning to a new school year. We hope you have enjoyed the summer holidays.

We would like to start by saying '**Congratulations**' to Kirton Primary School on the shortlisting and awards received at the end of last term.

We are particularly proud to be awarded the 'Science, Technology, Engineering and Maths

Award' in the national Education Business Awards.

We would also like to offer our congratulations to Ms West who was awarded 'Inspirational Teacher of the Year 2019'.

These awards are testament to the amazing staff, children and parents at our school, and we all feel immensely proud to represent Kirton Primary. Please see our website to view all the awards received by Kirton Primary School.

'What do Governors do?'

The Governing Body is an elected group, including teachers, support staff, parents and members of the local community. We work as a voluntary team with the Executive Head Teacher and the Heads of School for the benefit of all the pupils and staff across the Federation.

We're here to give the school a strategic direction and to act as 'a critical friend' - helping to guide the school to improving the standard of education for all our children. We don't get involved in the day-to-day operation of the school, but set the criteria by which the school is managed. We ensure that local and national government legislation and targets are met, that we spend our school budget wisely, that the safety of everyone is paramount, and that the curriculum is delivered to benefit all children. Governors take an active role in the school, not only attending meetings, but also school functions, undertaking visits to classrooms and helping out with school visits.

If you require any further information regarding our Governing Body, please refer to the school's website.

### Message from the PTA

The PTA wishes to thank everyone who supported their most recent events: the Sponsored Walk and the Summer Gala. Thanks to your generosity, the Sponsored Walk raised over £1 200, and the Gala made almost £2 100.

The money raised will be spent directly on improving learning opportunities and experiences for the children in our school. In the last twelve months, we have paid for a theatre production, fish and chips for Y6, recollection folders for our Y6 Leavers, stock for the school shop, a Christmas entertainer, and Santa's candy and satsumas for our younger children.

We look forward to your continuing support this year.

### Sport Update (by Mr Greaves):

#### Girls' Kwik Cricket - County Finals

With the British weather teasing thunder storms and showers all day, the Girls Kwik Cricket final was an exciting adventure from start to finish.

The tournament, held at Nettleham Cricket Club in Lincoln, hosted seven qualifying teams,

competing for the honour of being named 'County Champions'.

Seventy one schools entered the initial round of the competition so just to qualify for the final was an incredible achievement!

Kirton Primary School played their six games with true grit, determination and some very impressive teamwork and fielding skills.

Having won four games, been well beaten (by the champions) and just pipped in another match, meant that Team Kirton finished in an outstanding third place!

Such a great event. Such a wonderful effort from the girls. Such a superb result. Very done to the team!

### Kwik Cricket - County Final

Seventy two teams entered the Lincolnshire, Y5 Kwik Cricket Tournament in 2019. Team Kirton played their qualifying competition at Boston

Cricket Club. By winning this event, entry to the County Finals was awarded.

Hartsholme Cricket Club, Lincoln was the host for the annual competition which had seven teams in from across the whole county.

Kirton won three of their matches and lost the other three, losing out to the eventual winners by a mere four runs - showing what a close contest it was.

These results meant Y5 children from Kirton achieved their highest ever County results with a solid third place overall. Incredible!

As always, determination, fair play and never giving up were attributes that shone in Team Kirton children.

Here's looking forward to the Y6 competition next year... a little more over arm bowling training and Kirton should be even higher in the results table.

Well done to all involved. Fabulous!

### Y5 Kwik Cricket - County Finalists

After rain stopped play on the original Year 5 Kwik Cricket, the rescheduled event got underway with some cracking matches in late June. Five quality teams showed up to try to earn their place in the county finals, win a prize for a "champagne moment" and compete for the fair play trophy!

There was incredible bowling, fielding, batting and sportsmanship throughout the day's contest.

Kirton won their first two games with solid, all round tactics. Game 3 looked like it was safe as they were 33 runs up with 12 balls left but Swineshead just kept hitting fours! Tom (Kirton's superstar bowler) launched himself into the air on the boundary and got a hand to a ball and stopped a six - simply outstanding, game saving move!

With one ball left, Kirton needed to stop four runs (to avoid a loss) so, with a little encouragement from the boundary, he bowled a really fast, low ball. Game saved!

The last game demonstrated superb cricket played by both teams with the last 12 balls containing the majority of the runs. Kirton lost this match by 11, meaning two teams had the same number of wins and losses! It all came down to runs scored!

Kirton took the day by over 50 runs - and breathed a huge sigh of relief! What a day!

### Girls' County Kwik Cricket - County Finalists

Team A

After rain delayed play, the Girls' Kwik Cricket Tournament finally got underway at Boston Cricket Club.

Kirton Primary sent two teams to compete for the chance to represent the Boston area at the Lincolnshire County Finals. Both teams won all their matches in the league section of the competition which led them to the semi-finals.

Kirton B team played a fabulous game in which Eboney was awarded with a 'champagne moment' for motivational teamwork (to both teams!). Unfortunately, they lost the game by 4 runs to come in 4<sup>th</sup> place.

Kirton's other team whipped up an attacking frenzy with superb catches, accurate fielding and totally awesome run stealing. They managed to win the game by over 40 runs to secure their place in the county finals which are to be held at Hartsholme Cricket Club in Lincoln.

As always, sportsmanship and determination were in abundance. Well done to everyone involved.

Team B

### Danish Longball

Twenty enthusiastic, skilled athletes took a trip to Holbeach Primary School for a Danish

Longball Competition to compete in a league style format.

Danish Longball is a cross between rounders, cricket and dodgeball. It is a very strategic game where teams need to choose where to hit the ball, how hard and whether to run for two points or to risk a five point move. Working as a team, and occasionally sacrificing yourself for a team mate to get more points, is a tough but essential part of being in a winning team.

Kirton Primary School secured both 1<sup>st</sup> and 2<sup>nd</sup> place with the teams they took.

### New Age Kurling Competition

Early in Term 5, nine excited children made their way to Giles Academy for a New Age Kurling Competition.

New Age Kurling is a form of the original curling game but adapted so that it can be played indoors on any smooth, flat surface, such as a sports hall, rather than on ice.

It is also a sport that can be easily adapted so that everybody can play. At the event, there were some superstar kurlers that competed in wheel chairs and used adapted poles to move their stones.

The game requires focus and is very tactical. Needless to say, Kirton Primary School children tried their best, behaved very sportingly and had a great time. Nine teams competed and Kirton managed a very respectable fourth place. Another great sporting event.

### Kwik Cricket Tournament

Kirton Primary School took part in a Kwik Cricket Tournament at Boston Cricket Club.

The tournament was run in a league format and then the winner of each league went through to the final stages.

Team Kirton managed to win all the games in their group playing some very thoughtful cricket. They didn't risk unnecessary run-outs (as that would have lost the team 5 runs) and they bowled with 100% focus because any wides or no-balls gave the opposition 2 runs. In the semi-finals, Kirton play St Thomas' School. This was a cracking match and one in which some of our team faced very quick, over arm bowls for the first time ever. Unfortunately, Kirton lost this game by only 9 runs. It was a cracking match though!

### Rounders Tournament

Another wonderful result for Team Kirton. Having been rescheduled due to a downpour in May, the annual Boston Schools Sports Partnership Rounders tournament took place at St Giles academy (in very warm but blustery conditions) in July.

Kirton took two teams to the event which was initially a round-robin (every team played every other team) format.

Kirton's A team lost their first game by half a rounder but then went on to win the remaining 6 games. They batted fairly well but their strength was fielding as they were so focused on running out batters at first or second base. Some epic catches also helped their winning streak.

Kirton's other 9 players needed a little more warming up before securing a victory but they were very encouraging of each other and made some big improvements in their tactics to see some wins.

Onto the finals and Kirton A played outstandingly in the semi-final to make it through to the final where they played St Thomas' - the team to whom they lost at the start of the day.

Kirton fielded first, and ended up bowling, throwing and catching to the highest level of the day. St. Thomas' were all out with balls to spare and only managed to score 1 rounder. Overall finishing positions were 5th and 1st for Team Kirton. Another memorable, hard fought tournament that saw Kirton raising the winner's trophy once more.

### Commentary

Such has been the school's sporting successes this year, we might need another display cabinet to house all the new trophies.

### Sports Clubs Available this Term

Monday	BUFC Multi Sports KS1
Tuesday	Sport2Day Football Academy
Wednesday	Sport2Day Girls' Football
Thursday	BUFC Football
Friday	Sport2Day Multi Sports KS2

### School Uniform

We are proud of the way our children present themselves at our school and are thankful to have parents who are supportive and sensible about school uniform. We have very few concerns and regularly get positive comments from school visitors, or when we take our children on trips, with regards to our children's presentation. Ofsted also commented positively on the way our children dress for school and the pride they show in their appearance.

Please take the time to remind your child that jewellery should not be worn at school ie no bracelets, chains, rings, wrist bands etc, We make an exception for stud earrings, although earrings should not be worn on PE days). Hairstyles should be conservative. Coloured/bleached hair, gel and close or patterned shaves are clearly not appropriate in a primary school. Nail polish and transfer 'tattoos' are also not appropriate.

For more information, please refer to our website. As ever, we thank you for your good sense and support.

## Health and Safety Reminders

If your child normally goes home on the school bus, please let the office know if your arrangements change so we may amend the bus register. Failure to inform the office could hold up the entire bus.

If anyone other than the usual adult is to collect your child at the end of the day, please ensure that the school has been made aware.

If you have moved house or have changed your telephone number over the summer, please make the office aware of your new contact details.

Please remember that no images must be made with recording devices, including mobile 'phones, anywhere on our school site without the express permission of the Head of School or the Executive Headteacher. Mobile phones must not be used by parents or visitors anywhere within the school building.

Please ensure that your children do not access the gym equipment or the climbing frames except under the direct supervision of staff.

With the exception of guide and hearing dogs, no dogs are permitted on the school site at any time. Please note, this includes puppies and small dogs which are carried.

The entire school site, including outdoor areas, is a no smoking zone. This ban includes e-

cigarettes as we anticipate that all adults will be positive role models while on site.

Bikes and scooters are a fabulous way for our children to get to school, being both speedy and active.

The children are aware that they should not cycle or scoot on the school grounds as this could cause an accident. We remind our children regularly in class and in assemblies to dismount while on paths and playgrounds. Please remind your child should they forget.

Some of our children risk suffering a life-threatening reaction to nuts - even by simply being in the vicinity of a nut. For this reason, we ask that no child bring any food items into school that contain nuts, even for their own consumption.

Out of respect for our neighbours, please take care not to block people's driveways when parking.

## Oversubscribed

Many of our year groups are currently oversubscribed, despite the extra classes we have opened. Although it may seem a long way off, if you are aware of friends or neighbours

who have children who are due to start school in **September 2020**, please remind them to apply in good time in order to be in a better position of securing a place at our increasingly popular school.

School admissions are handled by Lincolnshire County Council for a September start in Reception. However, we organise our own admissions to our Nursery, and you may register your interest for 2020 at the office now.

We are usually able to admit children midyear into all other year groups directly through the school office.

### Bug Busting

Every school has to deal with head lice and we are no exception. The problem is often more prevalent when children start back at school after a holiday. Although we will never eradicate head lice, there are things that we can do to alleviate the problem. This **Saturday, 7<sup>th</sup> September**, we ask that every child's hair is checked at home for lice.

The following advice comes from the school nursing team:

A fine tooth plastic comb is best for detecting head lice and you should check school children and family members at least once a week. Young lice are the size of a full stop and adults the size of a sesame seed. Treatments are available from your GP and are **free** for children. You should only treat those people with lice living in their hair.

### Keeping Children Safe Online

Families often think they know exactly what their children get up to online, and that they

understand all the apps and sites their children use. But with technology changing every day, that's not always the case.

The NSPCC has an online safety helpline:

0808 800 5002 and a website:

<https://www.nspcc.org.uk/help/nspcc> that offers support and advice to parents and carers.

### Healthy School

We are proud recipients of the Healthy School Award, but there are certain conditions to which we must adhere in order to maintain this status.

Please be aware that the only snack children should bring in for break-time is fruit.

Children should only have water in their water bottles.

### Facebook and other Social Media

We thank our whole community, especially parents and carers, for their vigilance over negative or inappropriate comments made on Facebook or other social media sites about the school or its staff. Please be assured that all information received, which is thankfully very little considering the size of our school, is treated in the strictest confidence in terms of its source.

Negative comments can have an impact on staff morale and, in turn, on the children in our school. Parents and volunteers have also expressed their distress and despair at reading comments that have been made in the past. We take upset such as this extremely seriously, and engage the support of the police and legal services where necessary. Indeed, we are

grateful to the police for their robust stance on such damaging activity.

We also ask that any photographs or filming, undertaken by family members at school, is of your own child and for your own personal use. Children's images taken at school should not be shared on social media sites - even images of your own children. This is to ensure that we can continue to invite parents to photograph their children at school events.

We thank you again for your understanding, and welcome your continuing support

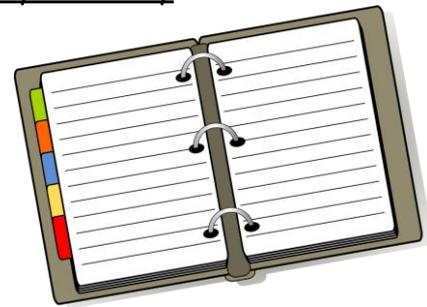

#### Term Dates for 2019 - 2020:

TERM 1:	Monday 2 <sup>nd</sup> September 19 – Friday 18 <sup>th</sup> October 19	35 days
TERM 2:	Monday 4 <sup>th</sup> November 19 – Thursday 19 <sup>th</sup> December 19	34 days
TERM 3:	Monday 6 <sup>th</sup> January 20 – Friday 14 <sup>th</sup> February 20	30 days
TERM 4:	Monday 24 <sup>th</sup> February 20 – Friday 3 <sup>rd</sup> April 20	30 days
TERM 5:	Monday 20 <sup>th</sup> April 20 – Friday 22 <sup>nd</sup> May 20 <i>May Day Monday 4<sup>th</sup> May</i>	24 days
TERM 6:	Monday 1 <sup>st</sup> June 20 – Tuesday 21 <sup>st</sup> July 2020	37 days

#### Term Dates for 2020 - 2021:

TERM 1:	Wednesday 2 <sup>nd</sup> September 20 – Friday 16 <sup>th</sup> October 20	33 days
TERM 2:	Monday 2 <sup>nd</sup> November 20 – Friday 18 <sup>th</sup> December 20	35 days
TERM 3:	Monday 4 <sup>th</sup> January 21 – Friday 12 <sup>th</sup> February 21	30 days
TERM 4:	Monday 22 <sup>nd</sup> February 21 – Thursday 1 <sup>st</sup> April 21	29 days
TERM 5:	Monday 19 <sup>th</sup> April 21 – Friday 28 <sup>th</sup> May 21 <i>May Day Monday 3<sup>rd</sup> May</i>	29 days
TERM 6:	Monday 7 <sup>th</sup> June 21 – Thursday 22 <sup>nd</sup> July 2021	34 days

#### Dates for your Diary

The following dates may be subject to change, but we know it is often useful to have advance warning. Further information will be available for many events.

7.9.19 'Bug Busting' Day

13.9.19 11+ test in school for Y6

16.9.19 School photographer YR-Y6

18.9.19 Theatre production for Y2-Y6

18.9.19 Phonics Workshop for parents 2.30pm

20.9.19 11+ test in school for Y6

27.9.19 Harvest Festival at church at 2.15pm for Y4-Y6 - all welcome

7.10.19 Enterprise Week for Y3-Y4

15.10.19 Parents' evening 3.30-6.30pm

16.10.19 Parents' evening 3.30-5pm

18.10.19 Last day of term

4.11.19 First day of term

10.12.19 Reception Christmas performance 2pm

11.12.19 Y1 Christmas performance 2pm

12.12.19 Y2 Christmas performance 2pm

16.12.19 Carol Service at church at 2.15pm for Y4-Y6 - all welcome

18.12.19 Children's Christmas dinner

19.12.19 Last day of term

6.1.20 First day of term
