

e-safety session for parents

Dear Parents and Carers

On **Monday 27th March 2017** we will be holding e-safety workshops for the children throughout the day. There will also be a parent session on e-safety at the end of the school day lasting between 45 minutes and 1 hour. The session will begin at 3.40pm in the main hall.

The aim of this session is to raise the awareness amongst parents of suitable methods of enabling their children to use technology safely.

By the end of the session, parents will be able to:

- Demonstrate an awareness of the risks present to children and young people online
- Recognise the benefits for children and young people when using technology
- Outline strategies and technical methods of managing risk online
- Identify the support channels available for parent, children and young people if they have concerns about online behaviours

In order to ensure that we can accommodate everyone who wishes to attend, please complete the slip below and return it to the school office.

Mrs Stephenson
Head of School

KIRTON PRIMARY SCHOOL

I / We will attend the e-safety workshop on Monday 27th March at 3.40pm
