Achieving Success Together

04/01/2021

Dear All

As you are probably aware, all schools in England have been instructed to shut with immediate effect. Kirton Primary School and Nursery will not be open tomorrow (Tuesday 5th January). We intend to open from Wednesday to the workers of critical workers and vulnerable children. More details will follow tomorrow.

Teachers will do their utmost to get Google classroom up and running tomorrow. Please be patient with us as we have had minimal time to prepare for this new lockdown.

Stay safe.

Mrs Donley
Executive Headteacher
