## TERM 1 NEWSLETTER 2021

### Reception

September 2021

Dear Parents and Carers

#### Our Topic

*Term 1: Everyday Life*

*Children will have the opportunity to share things about themselves and learn all about their new friends. We will talk about family, our favourite things and ourselves.*

#### Maths and English

In maths lessons, children will be learning about number and shape.

In order to support your child, you could talk about and point out numbers in everyday life. For example, prices in the supermarket, your house number and numbers on road signs.

In English, we will be learning how to hold our pencil correctly and begin to write our name and other letters using the cursive text.

In order to support your child, you could encourage writing and drawing at home. For example, writing shopping lists, writing their name, drawing and labelling a picture. Please encourage your child to hold their pencil at the bottom using their two fingers and thumb.

Encourage your child to read at home and ask them questions about what they are reading at every opportunity.

Your child may bring a water bottle to school. Please ensure the bottle is clearly named and only contains water.

As we like to get outdoors a lot, please ensure your child has a pair of wellies and a waterproof coat in school at all

We would like to welcome you to the start of a new year. The children have already settled in well and are very busy with their daily timetable.

times. You may wish to have a change of clothes in school also as we sometimes like to get messy! Please ensure **EVERYTHING** is clearly labelled with your child's name.

#### PE

Our PE day is Monday. Please ensure that your child has the appropriate PE kit. For outdoor games, the children need plain black/navy tracksuit bottoms, a plain white t-shirt, a plain sweatshirt and trainers. For indoor PE, the children need plain black/navy shorts and a plain white t-shirt. Every item needs to be clearly labelled and in a bag that will remain in school every day. Kits will be taken home to be washed at the end of each term. No items should be taken home during the term.

#### Phonics

Phonics is how we teach the children to read and spell words. We will learn new sounds each week. You will receive flashcards and a worksheet for children to practise writing and recognising the letter. Please look at these alongside your child's reading book at home. Our popular phonics workshop for parents and carers will take place this term. A letter will be sent home shortly.

#### Five Little Ducks

Five little ducks went swimming one day  
Over the hill and far away  
Mother duck said, "Quack quack quack quack"  
And only four little ducks came back!

#### Five Little Ducks

Circle and count the ducks below. How many little ducks are there? You could cut out the ducks and use them to act out the song.
