## Weekly Challenge

Spring Term 1 Week 6

Each completed weekly challenge will be rewarded with a special sticker.  
3 stickers each term will earn your child a Celebration of Achievement certificate!

### Talk Time - All about weather

Asking and understanding 'why' questions. This week we would like you to ask your child questions about the weather using, 'Why?'

For example, you could ask questions such as:

Why do we wear different clothes in different weathers?

Why do we put on sun cream?

Why do we need wellies, raincoats and umbrellas?

Why do we need to wear gloves, scarves and hats?

Maybe you could send back a sample of questions with the children's answers, or you could be as creative as you like in sending your questions and answers back!

### Information for Parents/Carers:

As we are coming towards the end of our topic about weather, the children know lots about different types of weather. This week, we would like you to ask your child some 'why' questions about weather. Asking and answering 'why' questions will support your child's understanding of their learning. Perhaps, if they cannot answer your 'why' question, you could give them a couple of answers to choose from. For a further weather activity you could visit:
